

AHEC Meeting Minutes

Date: Monday, Feb 9th, 2026, 8:30pm

Attendees:

Mary

Katie

Daniel

Stam

Luke

Admir

Minutes: Yan

AHEC election / officer recruitment:

- Daniel will send a follow-up email to ask for posters from Publicity
- Daniel will also send an announcement email to full Ashdown with signup forms etc
- Mary will book the H room for 02/20 6:00 – 10:00 pm. Time is still decided as 8pm because more residents will be free.
- Mary will be at the nomination dinner and will give a speech after everyone comes.
- Yuki is handling the officer recruitment and looks good.

Head of House posters:

- Katie emailed Publicity about the posters. Still deciding how to safely access the locker. Maybe just forget about it (if the key is lost...)

Front desk inventory:

- Daniel sent an email to Wentao but hasn't heard back. Daniel just sent a follow-up email.

Budget:

- Luke is still collecting budget plans from some committees. Looks good so far.

Thirsty Ear related:

- There's some money to buy some inventory for Thirsty Ear. Admir suggested AHEC buying something that doesn't easily break up because it's public. Mary will brainstorm with AHEC together this week and make a decision.
- A great number of people showed up at the Super Bowl event and people were pretty happy. Spent ~\$500.
- But one thing: We didn't make it clear that Thirsty Ear is a cash-only bar. Next time we must be cautious.
 - Stam, Admir, and Luke suggested it'd be good for AHEC to push for an ATM somewhere on campus (the student center one closes when the bank closes, and the BoA one has gone; so the closest one is at Central).
 - Admir will ask Naomi whether it's possible to push it.
- 3 people confirmed to Admir their interest in being a Thirsty Ear officer. One of them is in a band and thinks it's good to allow the band practice once per month. Admir and AHEC think it'd be super great.

Laundry machines:

- Many of them are broken.
- The company actually comes from time to time. But residents need to report the problems, otherwise they won't fix anything
- Katie suggested that if anyone comes to AHEC, AHEC should tell them to report.
- Katie will also discuss this with Julie on Friday and see whether we can put some extra signs to make it clear

Oven in kitchen:

- Julie told Katie last Tuesday that the oven and electricity should be done by Monday
- Mary will email brunch committee to see whether the oven is usable now

AHEC meeting times:

- AHEC decided to keep the time of Monday 8:30pm (but Mary will check with Yuki to make sure the time works for her)
- No meeting next week because of President's Day
