AHEC Election:

- New AHEC members are Mary, Rudiba, Ethan, Luke, and Stam. With Mary as the chair (again!).
- Yuki and Daniel are stepping down, but will stay in the Super AHEC meeting until the hand-over finishes.
- Daniel will continue to be a Thirsty Ear officer; he completed the training and is activated to enter Thirsty Ear.
 - Stam, Kenneth, and Katie also completed Thirsty Ear training and are activated. They will help if needed.
 - Admir suggested activating Karaoke people as well. Admir will make a list and ask Thirsty Ear about this.

Karaoke Event 03/20:

- Rachel from the events committee reached out to Mary asking whether they can host Karaoke at Thirsty Ear on 03/20.
- Admir will be there tomorrow to check. He will email Mary after getting the response.

AHEC Retreat:

- Admir is planning a retreat for the SuperAHEC sometime. Luke confirmed that AHEC has money.
- Will check with Katie and see what she thinks. AHEC will discuss this next time.

New Inventories for Ashdown:

- Gaming and outdoor exercise stations are the top responses.
- For games, Mary will put up a vote on the white board: Switch or Xbox?
- For outdoor gym/related, Admir suggested Stam reach out to Julie.

List of officers:

- Yuki will send the officer list to MIT HRS by the end of March. After that the HRS will change the status for officers. If they don't automatically change (and some officers come and ask what they should do), Mary will help them inquire with HRS.
