### Budget

- Community event budget: floor officers have a budget of 150 dollars per event, hosting 1-2 events.
- Committee meetings: each AHEC member will meet their respective committees once a month.
- Committees already have budgets for 2 social events per term, with 35 dollars per participant per event.
- Allocate the budget for simple food at the meetings. ~7 dollars per participant per meeting.
- Need RSVPs for the meetings. The budget is allocated based on the number of participants.

### Coffee hour

- Using paper plates and having the food served worked well last week.

### Thirsty Ear

- Breakthrough: Dean of OGE, Susie, helped launch a pilot to open Thirsty Ear one additional time per week (on top of Tuesdays) – it will open on Thursdays too.

### Events

- A lot of residents are interested in running. Katie suggested making custom looper T-shirts for runner events.
- Classical music events were well-attended last year.

### Replying to emails sent to the ahec-five mailing list

- Mary suggested the person who replies reacts to the email with a thumbs-up emoji so others are aware of it.
